

I am writing about the importance of keeping K-LOVE, a national FM radio station, on the air. K-LOVE serves me, as a resident of Lincoln, Nebraska, with good Christian music that I can listen to each day. There are few other choices for wholesome Christian music. If K-LOVE was displaced by an LPFM broadcaster I would not be able to listen to this music each and every day. Christian music reaches not only to me and my family, but to others in Lincoln who may need an encouraging word to continue on with their day. This type of encouragement is not found on other radio stations. We need to continue keeping this station on the air so that we can reach out to those who need to know Christ and make a difference in this community and in others throughout the world. I am a firm believer that K-LOVE is helping save lives and bring others into a personal relationship with Jesus Christ.

Thank you.
